

Valley Folk Music presents:

WINDBORNE

Internationally acclaimed vocal chameleons specialize in close harmony singing. They shift effortlessly between drastically different styles of traditional music. Their musical knowledge spans

many continents and cultures, but they remain deeply rooted in American folk singing traditions. Praised for “the purity of their voices, strength of their material, and attention to detail in their arrangements,” Lynn Mahoney Rowan, Will Thomas Rowan, Lauren Breunig, and Jeremy Carter-Gordon share a vibrant energy onstage – their connection to each other and to the music clearly evident. Their superb harmonies and stunning arrangements make them an exceptional group you will want to hear over and over again.
